One example is Abraham. His name meant a "father of many nations" and the name of his wife, Sarah meant "princess-the mother of many nations". And that is exactly what they were!

God has many names and they each reveal a different aspect of His character, His ways, who He is, and what He does. To know His name is to know Him. When you really know God and understand the **meaning behind the names of God**, it will fill your heart with faith and confidence. I find that I work on them in the morning and finish up in the evening and if you need a few days saturated in the awesome goodness of a specific name of God - that is perfectly fine. It means that God's word of truth is refining and renovating your heart! ❤️

Copying scripture and carrying it with us throughout the day, reading it, and memorizing it, makes God's word a part of us. It renews your mind and calms your anxious heart. I have also added a page to help you plan and order your day. I'm looking forward to using these pages!

### Take Action :

1. Download the scripture verse list, and journal paper [HERE](#).
2. Find a quiet place with your cup of coffee, Bible, and a favorite pen or journal on your iPad!
3. Pray as you write your scripture verse for that day.
4. Ask God to reveal Himself to you and listen for the Holy Spirit to speak to you.
5. If you feel convicted of something- confess it and ask for forgiveness.
6. If you feel moved to worship - worship God! Just enjoy His presence.
7. Most important: make an appointment with yourself, journal, and God every day for your scripture writing time. I find it works best for me to do it in the morning. It helps me to gain ' God's perspective' on my day. But you do it at your own perfect time. The important thing to remember is to do it and if you miss a day - just double up the next one!
